# Hitting the ice in Nanaimo

BY CORRINE JENSEN

A GREAT curling club, great instruction and a great turn-out made for a great day at the Nanaimo Curling Centre when it hosted a Can Curl More - Discover Wheelchair Curling clinic.

The Curl BC-run event in November was made possible thanks to the dedication and commitment of Paralympian and World Champion Sonja Gaudet and Coach Karen Watson.

They both came from the mainland and give their time and expertise to help out a few "wheelies" for the day.

Based on the club's Wednesday Wheelchair Curling League regulars, there were nine wheelies in total (two brand new to the sport) who benefited from some lectures and on-ice instruction of the game.

The wheelchair curlers were on the ice at the same time as the Senior Mixed League, so there were many interested

curlers and on-lookers.

It meant extra support for the wheelchair curlers in our club and raised the grass-roots profile of the game a little more.

There was great support from Club Manager Denise Wood, and great ice conditions thanks to the ice technician crew, led by Darren Horton.

Lunch was provided by Sean's Livewire Catering in the Kitchen and three family helpers.

The wheelies had a great time and learned quite a lot. A successful program for sure.

Nanaimo will be hosting the BC Provincial Wheelchair Championships from January 25-27, 2013.

# The teams playing at BC Juniors revealed

## BY REBECCA CONNOP PRICE

# US curlers take in the sights of BC

BY KATHLEEN MACKENZIE

ON October 31, 2012, 16 US senior women curlers from 11 different states arrived in Victoria to start their Friendship Curling Tour to BC.

They visited a total of seven Vancouver Island and Lower Mainland clubs where they played eight-end games with our women curlers.

On the island they played senior women's teams from Region 8 at Victoria Curling Centre. Each of the Region 8 clubs, Victoria, Esquimalt, Juan de Fuca and Glen Meadows Curling Clubs sent a representative team to participate.

The teams then moved on to Lake Cowichan where they played against Duncan and Lake Cowichan women, then on to Nanaimo where they played against the Nanaimo senior women.

The visitors took some time out to visit Goldstream Park to watch the coho salmon spawning, visit the Kinsol Trestle, watch birds of prey work at the Raptor's Refuge in Duncan, take the scenic drive through Chemainus to see the murals, visit Cathedral Grove Park to walk among big trees and visit the Coombs Market.

Their visit to the mainland saw them play games with senior women's teams at Royal City, Richmond, Cloverdale and Marpole followed by a visit to the Vancouver Curling Club where they watched the mixed leagues play.

The 16 American curlers who took part in the Friendship Curling Tour of BC.

While the US women's tour teams were in Richmond they took the opportunity to meet with and watch the National US Wheelchair teams curling in the International WC Championship being hosted at the Richmond Curling Club.

Their last two days were spent visiting Vancouver points of interest: Van Dusen Gardens, Granville Island, the Museum of Anthropology, Stanley Park and the Vancou-

ver Aquarium, Capilano Suspension Bridge, Yaletown and the Gulf of Georgia Cannery in Steveston just to name a few.

The visitors departed for home on November 11, amazed at the hospitality of our host clubs and the curlers with wishes that their stay could have been longer as there was so much more to see and experience.

In 2015, it will be BC's turn to send 16 senior women to the US for a reciprocal visit.

## Officials needed for two championship events

**MORE** helpers are needed to join the volunteers working to make the 2013 Tim Hortons BC Junior Curling Championships a success.

The team is particularly interested in hearing from anyone who can volunteer as an official.

No experience is necessary and training will be provided.

There are duties for hogline officials, on-ice observers and timers.

There are great benefits to helping out, including:

- Training is provided ahead of the event,
- Time can be used toward certifications,
- Can be scheduled around other off-ice volunteer shifts.

Anyone who is interested can contact Patti Caldwell at (cell) 604-328-9066 or [pcaldwell@shaw.ca](mailto:pcaldwell@shaw.ca).

The host committee of the 2013 Scotties BC Women's Curling Championship is also looking for volunteer officials.

The volunteers must be available to be at Cloverdale Curling Club at some point from January 14-20, 2013.

Volunteers for this event must also have their CCA Level 1 or 2 certification in order to volunteer.

If you are qualified and would like to help, please contact Officiating Chair Barb Tessier at [btessier@telus.net](mailto:btessier@telus.net) or Cloverdale Curling Club manager Judy MacKinnon at [manager@cloverdalecurlingclub.ca](mailto:manager@cloverdalecurlingclub.ca).

You can also contact the club directly at 604-574-4483.

The host committees and Curl BC are grateful for all the volunteers who have already stepped forward.

## Curlers in Salmon Arm show Christmas spirit with generous donations

THE Senior Men's curlers from Salmon Arm Curling Club showed they have Christmas spirit to spare when they reached into their own pockets to help the club out.

Ice technician Gary Ritchie was casually talking to some of the curlers about the

need for the new ice clipper. The current one is 15 years old and needs replacing.

The word was spread and within a few minutes, \$1,000 was raised without even asking!

Gary and the rest of the team want to

thank Ralph Puetras, Cliff Hosker, John Danks, Bob Burchailo, Sun Country Window Cleaning (Ken Nielson) and Thomson Plumbing (Gerry Thomson) for donating cash. The new Nipper Clipper is already ordered and on its way.

# Teach curling, tennis and golf to children in school

BY PENNY BARTEL

CURL BC and our sports partners, Tennis BC and British Columbia Golf, are recruiting school coaches.

Curl BC's Capital One Rocks & Rings school curling program, in a partnership with Tennis BC (Progressive Tennis) and British Columbia Golf (Playground to Fairway), has formed SOAR (Sharing Our Activities and Resources) which delivers all three sports in elementary schools in selected areas of the province.

Our goal is to have coaches available to deliver all programs, allowing children to experience all three of our sports in a safe and fun environment in schools, and is in alignment with the Canadian Sport 4 Life model of developing Physical Literacy.

Recently we have had requests from Lower Mainland schools for both our SOAR and Rocks & Rings delivery, prompting us to host a certification program to train and hire local coaches.

This program will be in Coquitlam – Sunday, January 13, at Ranch Park Elementary school from 10a.m.–5p.m. During this time, interested SOAR and Rocks & Rings Coaches will learn the set up and delivery of each sport program for elementary school children. We also ask these coaches to attend a mentorship opportunity in the delivery of the programs January 14–16 to the students at Ranch Park. If interested in joining the FUN, come dressed for activity and to play with the modified equipment!

Please join us for this coaching opportunity, so that more children in the Lower Mainland can experience our life-long activities.

To register for this, please see below link <http://bcga.bluegolf.com/bluegolf/bcga13/event/bcga1321/index.htm>.
