WHO WE ARE

WHY JOIN A UNION?

Representation

Being a member of the IBEW means you are entitled to representation in any and all workplace issues by Local 258's trained and specialized representatives. Our representatives are there to guide you through any situation you might be dealing with at work, which can include advocating for you in case of discipline or disputes, helping you file grievances, or walking you through WorkSafeBC appeals.

Better Working Conditions

Joining the IBEW means that you will work under a collective agreement, negotiated by Local 258 to ensure you have the best working conditions possible. It sets the ground rules for things like safety, sick leave, vacation time, wages, and more.

Benefits & Retirement

IBEW members work for provincial utilities and private companies who provide great benefit packages (including medical and dental) and RRSPs.

On behalf of Curl BC, welcome to the 2025 BC Men's and Women's Curling Championships, presented by Best Western.

We're excited to watch 12 men's teams and 8 women's teams compete for spots in the Brier and Scotties.

A big thank you to the Township of Langley for hosting us at the beautiful George Preston Arena. The Championships are organized by the Hosting Committee, chaired by Wayne Moore. We appreciate their hard work in putting this event together. We'd also like to thank the host club, the Langley Curling Club, led by President LoriAnn McGowan and Manager Robyn Parkes, for their strong support to the Championships.

We're also grateful for our Chief Umpire Patti Caldwell, Deputy Umpire Troy Matsumiya and the officials team, Chief Ice Technician Mike Merklinger, Assistant Ice Technician Norm Scott and their ice crew, as well as all the volunteers for their dedication to making these championships a success.

And we'd also like to thank all of Curl BC's sponsors, local sponsors and partners for their crucial support in the development of curling in BC.

Last but not the least, we want to thank the curlers and coaches for the week of fantastic curling ahead of us.

Enjoy yourselves, and good curling!
